ABOUT LAVNCH

LAVNCH is a lead-generation and member-based platform, designed to deliver hybrid and virtual events to technology influencers, specifiers and enthusiasts.

Since debuting the LAVNCH Platform, we've partnered with nearly 100 major brands and associations to provide **integrators, consultants, manufacturers, designers and end users** a platform to build better relationships online.

LAVNCH is made up of an ecosystem of lead-generation-based systems, all working together to deliver new product launches, webinars, virtual and hybrid events and more.

On LAVNCH.com, attendees feel like they're a part of the event, not just sitting at home watching a video or a webinar.

LAVNCH PLATFORM PREVIEW

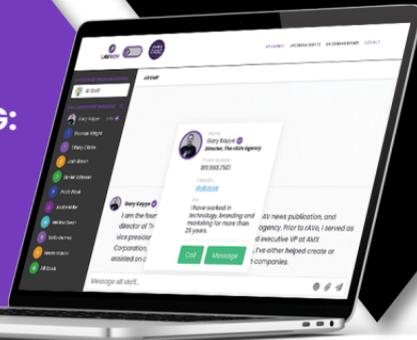

LAVNCH MEMBERS

LAVNCH members include traditional AV/IT, UCC and Digital Signage professionals, event design professionals, architects, interior designers, experiential marketing planners and immersive production specialists. Members must log in for each event, allowing us to track exactly who is online and the content they find most engaging.

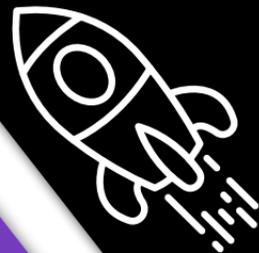

LAVNCH NETWORKING:
How LAVNCH members communicate and network on the LAVNCH Platform.

Our hybrid and virtual events allow for meaningful connections between #AVtweeps and tech pros via our live NETWORKING platform. LAVNCH NETWORKING includes attendee-to-attendee private chats, group chats and themed rooms to segment your audience.

**It's like a webinar,
only way, way
better!**

Although similar to a webinar, LAVNCH & LEARNs allow you to customize the live features and upload additional content so users can join in for an engaging digital event all in one place! With our turnkey event-production service, we will build the page, populate the content, manage registration, promote the event via social media and eBlasts, produce the event, host it and archive it for future viewers.

#avIRL

Bringing you AV case studies in REAL LIFE

Case studies are a great way to demonstrate how specific problems are solved with technology solutions and designs. But what about the real-life experiences — the ones that happen behind the scenes during the install process?

Introducing #avIRL (AV in Real Life).

Host an #avIRL session to demo a recent project to a targeted audience of potential buyers, during which they can ask questions and have conversations directly with the designers and installers.

LAVNCH WEEK

A biannual virtual event hosted by rAve [PUBS]

LAVNCH WEEK is a week-long virtual event for the AV/IT, UCC and Digital Signage industries. Each LAVNCH WEEK offers educational sessions, product announcements and thought leadership panels, all focused on innovative tech solutions in AV/IT, UCC, Digital Signage and Emerging Technologies.

Sponsors gain exclusive access to our registration-gated platform with significant brand visibility throughout the week. Showcase your products, solutions and expertise to an attentive audience and directly connect with attendees through interactive polls, real-time Q&A sessions and one-on-one networking.

Sponsor a day or session to showcase new products, present your company as a thought leader and collect valuable AV industry leads.

- LAVNCH WEEK OFFERS:**
- Livestreamed educational sessions
 - Interactive audience participation
 - Thought leadership opportunities
 - Brand exposure & lead generation

All LAVNCH WEEK days will be CTS RU certified!

LAVNCH DAY

Host your own virtual event with our LAVNCH turnkey production services

Leverage the LAVNCH platform for your own LAVNCH DAY and host everything on one page that is easily accessible and logical for your audience. Each LAVNCH DAY UI/UX is customized to your event's needs and goals.

RESPONSIVE WEBSITE

Events are hosted on the LAVNCH platform's website and can be open or require gated registration, allowing for more or less precise engagement tracking.

CUSTOMIZABLE OPTIONS

LAVNCH DAY pages are your blank canvas! We can include your branding, logos, creative elements, resources, videos, downloadable assets, chat and more.

LIVE SESSIONS

Deliver high-quality, custom-branded content with keynotes, educational sessions, panel discussions and facility tours. Product debuts and more to your audience or our audience.

INTERACTIVE FEATURES

The LAVNCH platform can incorporate interactive integrations such as live audience polling, Q&A, attendee networking, sponsor collateral gamification and more.

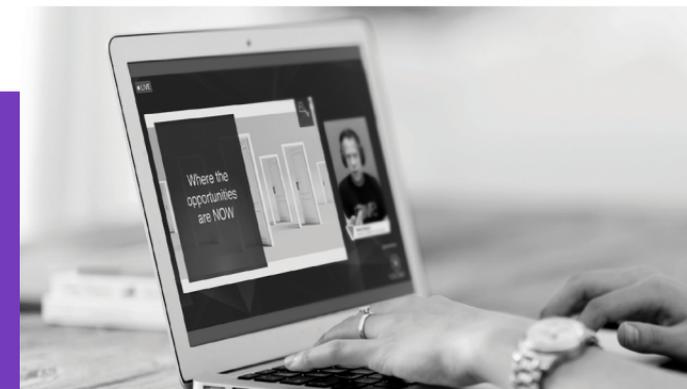

Ideal for: Product Announcements | Sales Meetings | Press Conferences | Panel Discussions | Product Demos | Keynotes

LAVNCH HYBRID

Let us help you create an "event of the future" with LAVNCH HYBRID. We will curate your event with engaging experiences for your audience online, so they feel like a part of the event, not just a viewer.

Our LAVNCH HYBRID event services will give viewers unique opportunities for two-way communications between your digital audience and in-person attendees and presenters. We'll manage all digital elements so you can focus on the live, in-person experience.

LAVNCH VTS

Utilize the LAVNCH VTS platform to create custom virtual events or conferences with live presentations, product demos, trade show halls and more.

LAVNCH VTS creates a linear, seamless event with interactive elements. Based on your objectives, we prioritize the attendee experience by creating logical manufacturer highlights and interactions with vendor content that can be gated or open.

LAVNCH EVENT BREAKDOWN

Which event is right for you?

The LAVNCH platform offers several different types of events, from one-hour sessions to multiple day-long events. All LAVNCH events are completely customizable and are designed using a familiar linear experience to keep attendees engaged and on the platform.
